## member profile

**Darrias Baker** - Darrias is known in various industries as an Artist, Show Designer and an Art Director who is "hands on" in all that he contributes to. Together with his international associates and resources he has designed and produced world-class entertainment art for over twenty years. He has an intimate understanding how entertainment art, sets and environments are designed and produced successfully.

Currently Darrias is working as a Senior Show Art Director at Universal Studios Singapore for Resorts World Sentosa.

For most of 2008 Darrias worked as an Attraction Designer on several projects for The Hettema Group including the Jurassic Park Ride, Universal Studios Singapore.

At the end of 2007 and into 2008 Darrias art directed the Fashion District at Crossworlds of the World, Grand Indonesia Mall in Jakarta, Indonesia. This two story, 200,000 sq ft entertainment district is comprised of highly immersive retail, dining and show experiences.

Recently Darrias was both a Designer and the Project Creative Director on the SM Science Discovery Center for SM Malls in Manila, Philippines. Having appreciated his successful work on the SM Storyland project in 1996 they have again contracted him to develop a venue for new technology and entertainment. The Science Discovery Center opened at the SM Mall of Asia in September, 2007.

Darrias is a graduate of The Art Center College of Design in Pasadena and an active member of Themed Entertainment Association.
