## SSTM and SNHM require visit reservation starting from June 25

Informed by Shanghai Municipal Culture and Tourism Administration, Shanghai Science & Technology Museum and Shanghai Natural History Museum (the branch museum of Shanghai Science & Technology Museum) have implemented visiting policy which requires visitors to make prior arrangement according to specific time periods with their real name registered, since June 25, in order to create a comfortable and safe environment.

Since June 19, visitors can use their ID card information to book the tickets according to specific time periods, via the official website of Shanghai Science & Technology Museum, Shanghai Natural History Museum, and other third-party ticketing platforms. Now only individual visitors are allowed to make appointments. The third-party platforms that cooperate with Shanghai Science & Technology Museum include ctrip.com, ly.com, m.lvmama.com, i.meituan.com, and dianping.com. The third-party platforms that cooperate with Shanghai Natural History Museum

include ctrip.com, ly.com, and m.lvmama.com. On the visiting day, the visitors shall be on time for the check-in as required. The check-in time starts from 9:00 a.m. to 12:30 p.m., and from 12:30 p.m. to 4:00 p.m.
